

## Online Etiquette Agreement

I \_\_\_\_\_, agree that whenever I am engaged in any internet usage, regardless of device, I will abide by the following rules. Should I have any queries or uncertainties I will always ask for advice from my Mom & Dad.

I am aware that:

1. There is no such thing as privacy online ☐
2. Anything I say online cannot be taken back ☐
3. It is important to use the internet safely and responsibly ☐

I am also aware that people online are:

1. Not always who they say they are ☐
2. Do not always tell the truth ☐

- I WILL NOT add, or accept, a friend on any social media site unless I know them in real-life, unless given permission to do so by my parents ☐
- I WILL NOT give out any of my personal details, including, but not limited to, my full name, date of birth, address, phone number or email address ☐
- I WILL happily, and without complaint, stick to the time limits that my parents have set for me ☐
- I WILL NOT talk to strangers online in any situation. If I receive a message from someone I don't know, I will alert my parents ☐
- I WILL NOT give out my password(s) to anybody except my parents ☐
- I WILL NOT be unkind or bully others in any way ☐
- I WILL ask for permission before signing up to any new service ☐
- I WILL NOT order anything online (even if it claims to be free) ☐
- I WILL NOT use my own, or my parents, debit/credit cards to purchase anything on the internet ☐
- I WILL NOT post a photo online, or send via email, without asking for my parents permission ☐
- I WILL immediately end any conversation that is rude, unkind or threatening in anyway - and tell my parents without delay ☐
- I WILL NOT download any software, videos, music or games without permission ☐
- I WILL act responsibly or risk losing my internet privileges.

I fully understand all of the rules put in place to protect me online and will abide by them at all times.
